

## Frequently asked questions by students and parents(Science)

### **1. What are the courses offered by Sandip Integrated Global School and what is the fees structure for the same?**

We offer Integrated program for Science (**11<sup>th</sup> and 12<sup>th</sup> Board** ,MH-CET, NEET/AIIMS, **JEE(MAINS and Advanced)**). The fee for the same is **Rs.85,000**.

Similarly, we also offer **Preparatory course/Pre-Foundation course** for NEET/JEE from **Std VI to VIII. Moreover, we offer foundation course for NEET/JEE for Std IX to X.**

Course fee:

Std VI to VIII- **Rs.45,000/-**

Std IX to X- **Rs.55,000/-**

### **2. Why is Pre-foundation and foundation course needed for JEE/NEET preparation?**

Every year around **1.30 lakh students score more than 90% marks in class X examination conducted by CBSE**. Moreover, **27476 students score more than 95 % in CBSE class X exams**. If we add the no. of students from across all the Boards, then , the **no. of students scoring more than 95% marks becomes around 60,000**. These students are toppers in their respective schools.

Now, if we count the **no. of seats in IITs/NITs/IIITs/AIIMS/GMCs** , then the **no. of seats in the general category is around 28,000 to 30,000**. It's not the case that only 95+ % students make it to these elite institutions. Therefore, it is very difficult for a common student to translate his dreams into reality.

Now, the key to success is very simple **“Start early and beat the competition”**. Keeping this in mind, **we at Sandip have decided to unlock the key to success by introducing Foundation and Pre-Foundation program** where we will train the students at a very early stage. Most of the toppers of these exams are the ones who start at a very early age.

These additional 4 to 5 years of rigorous training will translate your dreams into reality on the examination day. Our experts have created the course in such a manner that every requirement of the students will be addressed effectively.

### **3. Do you cover regular school along with Foundation and Pre-foundation Course?**

#### **5. What are the qualifications of the teachers?**

All Sandip teachers have several years of teaching experience with National level Institutes in India and maintain a track record of their students successfully passing the entrance examinations. Our team consists of highly qualified and competent teachers comprising IIT/NIT graduates, and some of the most renowned professors in their respective fields. They have either qualified the JEE/AIPMT themselves or been closely associated with the JEE/Medical Entrance exams. The combination of a strong foundation in the subjects and decades of experience in teaching for these rigorous competitions makes our faculty one of the best in the country.

#### **6. What will be the method of teaching?**

Sandip pattern focuses on contact classroom teaching, as that has proven to be the most effective method of communication between teacher and student. This approach not only helps to retain the student's attention, but also allows the dedicated teachers to monitor the student's receptiveness and retention. Our faculty are accessible at all times to clarify student's doubts, and provide motivation and feedback. We keep our student numbers in each cohort small so that every student can derive the greatest benefit from the program.

#### **7. What are the advantages of an integrated program over regular coaching program of similar pattern?**

The integrated program saves the precious time and efforts of the students by integrating regular syllabus with competitive exam preparation. Thus, the students get more time for self study which is most required to attain success in these exams. Our strength is the unique **Sandip pattern("Can't be disclosed, needs to be experienced")**.
