To be one of the most preferred learning hub in the country; accredited by several professional as well as international bodies offering inter-disciplinary, multi-culture and multi-dimensional approach with the core focus on creating confident and self-reliant leaders for creating a better tomorrow. It aims to create choice based education system that nurtures and develops leaders as well as entrepreneurs to tackle the problems faced in day to day life.

Our Vision
To impart quality education and to provide peerless training to our students by innovating new teaching-learning process, robust curriculum design, quality teaching and promoting research, academic audits, continual development in infrastructure. Our major focus is to imbibe our students with a sense of academic superiority, self-confidence, domain specific professional competency so that they can achieve their dreams and lead a successful professional life.

Our Mission
From the Chairman Desk

Education is the basis of all progress. Educational Institutions have got a huge responsibility for moulding the destiny of the nation by equipping the young minds with all desirable traits and values. The entire purpose of education is not to restrict itself to impart bookish knowledge only but to inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student.

We majorly emphasis on continuous refinement, that brings out the best in our student. The major objective of imparting education through this Global School & Junior College is to have quality education, dedicated efforts to create an integrated form which can create a synergetic impact.

Sincerely,
Dr. Sandip N. Jha
(Chairman- Sandip University)
